

AREA XI NEEDS YOUR TIME AND TALENTS!

If you are communicative and have a positive 'can do' attitude, please consider donating your time and talents to Area XI. All positions are appointed and report to a board member. You would not have a board vote but can attend and speak at meetings. In addition, you will be asked to comply with deadlines. Membership in the AGEHR is not required, but strongly encouraged. Print, complete and mail your completed form to your Sub-Area Chair (addresses in boxes below).
